Primary threat from #Laura in #NOLA is storm surge outside the levee system. Could also see heavy rain, wind & tornadoes if an outer band tracks over our area. Stay weather aware.

National Weather Service @NWS

In this graphic, you can see that the expected impacts due to strong wind and storm surge extend well beyond the #Laura forecast "cone". This is also true for other hazards such as inland flooding and tornadoes.

WHAT WE KNOW: the shooter was from 1 of 2 possible groups who:

1. Stated their intention to protect property
2. Offered support/help/solidarity to BLM rioters

WHAT WE DON'T KNOW?

1. Are the two groups connected
2. Are they groups or like minded individuals

Years ago, riots started in the Sherman Park area of Milwaukee. Mayor didn't want National Guard in, Sheriff did. We sent WI troopers to the park to help Sheriff, had troops ready few blocks away. Local clergy also came out & helped calm situation. We need all of that in Kenosha.

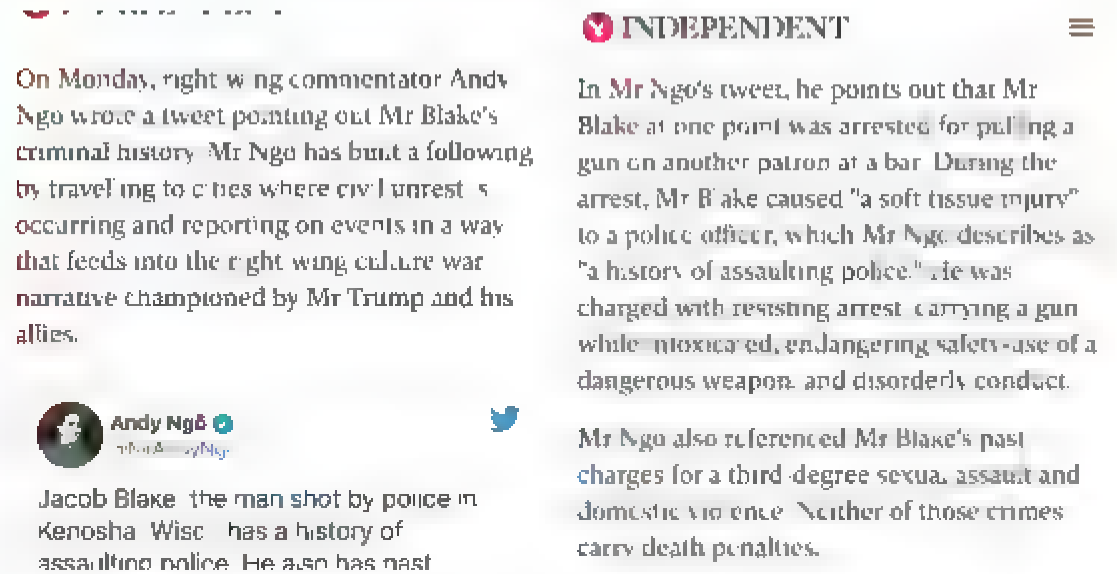
Facts are not commentary.



INDEPENDENT

On Monday, right-wing commentator Andy Ngo wrote a tweet pointing out Mr Blake's criminal history. Mr Ngo has built a following by travelling to cities where civil unrest is occurring and reporting on events in a way that feeds into the right-wing culture war narrative championed by Mr Trump and his allies.

Andy Ngô @MrAndyNgo

Jacob Blake, the man shot by police in Kenosha, Wisc., has a history of assaulting police. He also has past

In Mr Ngo's tweet, he points out that Mr Blake at one point was arrested for pulling a gun on another patron at a bar. During the arrest, Mr Blake caused "a soft tissue injury" to a police officer, which Mr Ngo describes as "a history of assaulting police." He was charged with resisting arrest, carrying a gun while intoxicated, endangering safety-use of a dangerous weapon, and disorderly conduct.

Mr Ngo also referenced Mr Blake's past charges for a third-degree sexual assault and domestic violence. Neither of those crimes carry death penalties.

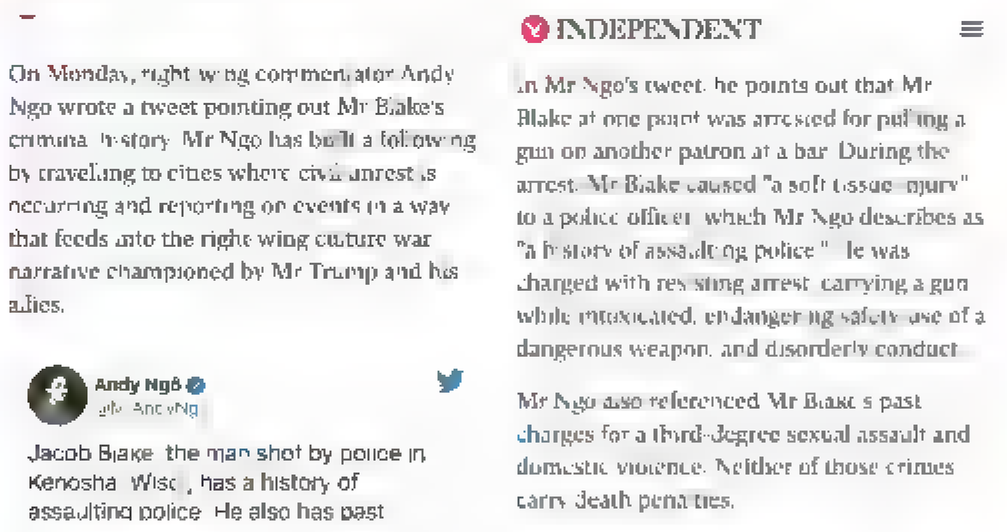
Andy Ngô @MrAndyNgo · Aug 24

Facts are not commentary.



INDEPENDENT

On Monday, right-wing commentator Andy Ngo wrote a tweet pointing out Mr Blake's criminal history. Mr Ngo has built a following by traveling to cities where civil unrest is occurring and reporting on events in a way that feeds into the right-wing culture war narrative championed by Mr Trump and his allies.

Andy Ngô @MrAndyNgo

Jacob Blake, the man shot by police in Kenosha, Wisc., has a history of assaulting police. He also has past

In Mr Ngo's tweet, he points out that Mr Blake at one point was arrested for pulling a gun on another patron at a bar. During the arrest, Mr Blake caused "a soft tissue injury" to a police officer, which Mr Ngo describes as "a history of assaulting police." He was charged with resisting arrest, carrying a gun while intoxicated, endangering safety use of a dangerous weapon, and disorderly conduct.

Mr Ngo also referenced Mr Blake's past charges for a third-degree sexual assault and domestic violence. Neither of those crimes carry death penalties.

Police scanner audio in Kenosha indicates a woman called 911 to report Jacob Blake was at her home & wasn't supposed to be, & had stolen her keys. Responding police were made aware of Blake's arrest warrant for domestic abuse & a felony sex crime. #KenoshaRiots #BlackLivesMatter

Kamala Harris couldn't even stand out in a field of 20 Democrat candidates for President, now they think she can draw attention with a press conference to combat the President or Vice President... These people are insane..

With no evidence, she claims that Kyle Rittenhouse is a white supremacist domestic terrorist, even though he fought for his life against white terrorists

The @Broncos have canceled practice today because they outraged and disgusted with the shooting of Jacob Blake.

He had a warrant for his arrest for raping a girl.
He resisted arrest.
And he had a knife!!

He broke the damn law!!!
What are you outraged about???
I'm done with you!

This is a new video from Republican Voters Against Donald Trump. This are the facts. You don't have to agree with any single policy, but having an incompetent criminal leading the executive branch of our government is not tenable. It's that simple, really.

While this President won't support government takeover, which deprives Americans with preexisting conditions of our doctors and our plans, he will PROVIDE us with good, affordable healthcare!

Not one Democrat condemned the hateful attacks & rhetoric from Antifa & BLM while people were leaving the White House last night.

IT's disgusting that Washington, D.C. Mayor Muriel Bowser is incompetent in her job, just like she's been incompetent in the Seth Rich Investigation.

Now that Biden's Polls are dropping fast, he has agreed to get out of his basement and start campaigning,"in ten days." Sadly, that is a very slow reaction time for a President. Our beloved USA needs a much faster, smarter, and tougher response than that. Get out there today, Joe

Rittenhouse is around that area in most of the footage we reviewed. About 15 minutes before the first shooting, police drive past Rittenhouse, and thank the group he's with. "We appreciate you guys, we really do," they broadcast through the speakers of their armored vehicles.

Rittenhouse walks up to a police vehicle with his rifle slung and talks with officers. One tosses a water bottle to the armed men, as seen in @KristanTHarris's livestream.

This week the CDC quietly updated the Covid number to admit that only 6% of all the 153,504 deaths recorded actually died from Covid.

That's 9,210 deaths.

The other 94% had 2 to 3 other serious illnesses and the overwhelming majority were of very advanced age. 90% in nursing homes.

That's a pretty big BOOM

This is not to say it's not real. I'm not debating that. I'm just showing updated numbers. Not

Imagine if we still taught civics in schools. Laws would be understood and respected. If people disagreed with them, they would learn the proper procedure to change them. Sadly leaders started cherry-picking only the laws they liked, and our Republic began its inevitable decline.

When you show video of riots and attacks on police and innocent citizens to people who are not on Twitter they are surprised and say they didn't know this was occurring. Of course not, they only watch mainstream media. Keep showing & sending those videos to everyone you know

That's my sister and brother in law. MSM only. Me: Did you hear about riots in Portland? Antifa? Cuomo nursing home debacle? Etc. My sister: "No. I heard Cuomo was awesome." "They said so on CNN" SICKENING!! Many people are only getting MSM. They are the ones I'm worried about.

#BIDENRIOT is an epidemic

#BidenRiots are taking over Democrat cities and spreading to suburbs.

It is fueled by blaming the police even before an investigation

It is ignited by the terrorist group BLM, who hate all police and all white people

These riots in Democrat cities can be called #BidenRiots because Biden during his speech at DNC said "SILENCE IS ASSENT."

Biden's 60 days of silence certainly conveyed assent.

Thus #BIDENRIOT is appropriate.

These are the images the left, the media, and Joe Biden don't want you to see.

They want to silence anyone who exposes the violence and destruction they've been labeling as "peaceful protests" for months.

RT so everyone can see.

Donald Trump is facing crisis after crisis. And it should never have happened. Whether it's the violence in the streets, the growing COVID deaths, Trump has settled on a tactic: Declare that the event "should never have happened," and find some culprit who failed to prevent it.

I've been getting really good polls, some over 50%, except for one Fake Poll done by @ABC NEWS, which gives NO INFORMATION about the sample, R or D, or anything else. They did this last Election, with one week to go, down 12 points, and I won. They are disgusting Fake News!

They are printed and shipped from the a facility that they operate in Kentucky in the United States.. Just like all other companies, I have no clue where the actual shirt comes from. However to be made in the USA, you need 3 points (Shipping, Printing, Design, etc.)

They are printed and shipped from the a facility that they operate in Kentucky in the United States. Just like all other companies, I have no clue where the actual shirt comes from. However to be made in the USA, you need 3 points (Shipping, Printing, Design, etc.)

Absolutely, wish we had more control, but since they print one offs and we don't have to carry inventory it's a little more costly, but we couldn't afford to have thousands of shirts sitting in a warehouse. They do a good job, they make Bongino's stuff as well.

Crazy Nancy Pelosi is being decimated for having a beauty parlor opened, when all others are closed, and for not wearing a Mask - despite constantly lecturing everyone else. We will almost certainly take back the House, and send Nancy packing!

The Beauty Parlor owner must really dislike Crazy Nancy Pelosi. Turning her in, on tape, is a really big deal. She probably treats him like she treats everyone else. And she strongly supported a Kennedy who just lost in, of all places, Massachusetts.

The Beauty Parlor owner must really dislike Crazy Nancy Pelosi. Turning her in, on tape, is a really big deal. She probably treats him like she treats everyone else. And she strongly supported a Kennedy who just lost in, of all places, Massachusetts

Crazy Nancy Pelosi is being decimated for having a beauty parlor opened, when all others are closed, and for not wearing a Mask - despite constantly lecturing everyone else. We will almost certainly take back the House, and send Nancy packing!

It's completely apparent now that the Biden campaign is just waiting to see what President Trump does, & then they'll do it 2-3 days after the President..

These people have no plan, no ideas, nothing other than I hate Trump.. It's a movement of sheep, cowards, & anti-Americans!

Mike Pence was never put on standby, & there were no mini-strokes. This is just more Fake News by @CNN, a phony story. The reason for the visit to Walter Reed, together with the full press pool, was to complete my yearly physical. Short visit, then returned (with press) to W.H.

You came here from there because you didn't like there, and now you want to change here to be like there. You are welcome here, but please stop trying to make here like there. This show is a DISASTER for Martha MacCallum so far, both Democrats have said they think Trump is either tied or leading in the polls because people don't want to admit they are voting for Trump due to backlash..

And who's standing up for their constitutional rights? If there are any anymore? Rights don't exercise themselves - anyone now aware why the California (MARXIST BULLY) government has some of the strictest (unconstitutional) gun laws in the country? Who's going to fight back?

If you're a police officer in America & can't stop someone without using deadly force, then you might as well let them continue to pillage, assault, murder, etc...

That's what the media, Democrats, Marxists, Antifa, BLM folks want..

Strange how D.C. Police got the bodycams out in this shooting within 24 hours...

We still don't have the body cams for the Seth Rich murder and its' been FOUR YEARS...

My book details how folks like Bill Kristol Jennifer Rubin, Jonah Goldberg, David French, and their NeverTrump pals have not just been repeatedly wrong about nearly everything in the past 4-5 years, their attempts to take down Trump at every turn have failed. Bigly.

How can anyone blame a President who wants to open the nation for jobs being lost? The only group that wants to keep America closed down is Joe Biden & the Democrats..

It's happening under the Trump administration... More than 90% of companies surveyed said they were planning to diversify their supply chains away from China...

This WILL NOT happen if Biden is elected President..

We must get away from China, Biden's love China!

My kids aren't in the band. I had to do a double take & ask if they were playing instruments with their masks on... My daughter then informed me they had masks w/holes & I looked like a Rhino watching a Giraffe try to mount an Alpaca with Barry White playing in the background...

The Mainstream media attacking one of the most beloved coaches in College Football history if not the most beloved is just typical of their "We hate anything or anyone that supports Trump" mentality.

For the handful of incidents involving police that MSM spins to flame the mob, there are 10's of thousands of successful police contacts where police helped, daily. Chronic police brutality is a farce, much like CV-19, both are used for Dems advantage.

"You say you're angry! Why aren't you angrier?" This is the caliber of bum-sucking question we have come to expect from reporters questioning Biden. Contrast this with the naked hostility they show toward Trump. We are so on to these propagandistic fakers!

Statement from the @GenFlynn and Family 09-04-2020
"This travesty of justice must end. It must end now!" 👊🇺🇸
⭐⭐⭐

Flynn Family Statement
September 4, 2020

The profound injustice perpetrated by the continuous persecution of our brother, General Michael Flynn, is a crime of historic proportion in America and represents the gravest of dangers to every citizen's individual civil rights and liberties under the U.S. Constitution. There is no retreat from the shameful bias dripping from the unsigned majority opinion issued by the D.C. Court of Appeals. And no longer can District Court Judge Emmet Sullivan hide behind his gavel considering he hired outside counsel hostile to General Flynn. Their political prejudices against our brother, and by extension, our family, have been brought to light for the entire country and world to see.

The judges have turned their backs on fairness and equal justice for all in defiance of their oath and, in so doing, sullied the integrity of jurisprudence in America. There is no going back. Judge Karen Henderson's dissenting opinion lays it out precisely: "The appearance of impartiality required of all federal judges has been compromised beyond repair." Judge Neomi Rao in her dissent makes it crystal clear that General Flynn continues being treated unjustly: "The majority [opinion] ducks our obligation, and leaves Flynn to twist in the wind while the district court pursues a prosecution without a prosecutor." General Flynn is a political prisoner without liberty or freedom. Our family thanks God for honest DOJ attorneys who had the courage to seek truth and once discovered, stood up for the Rule of Law alongside General Flynn's Guardian Angel of American Justice, Attorney Sidney Powell.

These last four years have been our family's battle of our lives. We fight on. We fight for America so we all can breathe the fresh air of liberty that generations of men and women have fought and died for. We know we are not alone in the battle against deep levels of corruption unfolding before our eyes. To the millions of Patriots who continue reaching out with support, generosity, kindness and prayer, we are forever grateful. This travesty of justice must end. It must end now.

With more than 50 positive studies, it makes you wonder why there is such a systematic effort to ban discussing hydroxychloroquine and even to censor physicians and medical researchers publishing positive studies about it.

So the high school bands have holes in their masks so they can play their instruments with masks on...

I thought my daughter was punking me when she told me about this stupidity.

Because when they quit playing the slobbering instrument still remains outside the mask.

My kids aren't in the band. I had to do a double take & ask if they were playing instruments with their masks on... My daughter then informed me they had masks w/holes & I looked like a Rhino watching a Giraffe try to mount an Alpaca with Barry White playing in the background...

As with the Kavanaugh #MeToo fabrication, the timing confirms this is a big lie. How plausible is it that Trump made wildly derogatory comments about the troops two years ago and all the people who heard this decided to anonymously tell just 60 days before the election?

I remember when Trish Regan was fired from Fox for saying the corona virus was being used to oust Trump. Yet Cavuto screams on air that hydroxichloroquine will kill people & Cavuto has 3 shows on the network. Fox is getting to be the next CNN, sadly.

#SundayThoughts. The word "trumpery" appeared in the 15th century with the meanings "deceit" or "fraud". 100 years later, it was being applied to objects of little or no value. Then in the 1900's, it came to mean "showy but worthless".

Jesus didn't bend. The Apostles didn't budge spreading the Word of God, they got mistreated, put in jail or got even killed. That as measurement many church leaders are very weak.

It is the job of laity to be ready and to stand up for Christ. The apostles, Magdalen, Dismas, Simon the Cyrene, etc all unlikely saints - but they were called and took up their cross & followed Him. We must keep our eye on the goal - Heaven!

A massive Disinformation Campaign is going on by the Democrats, their partner, the Fake News Media, & Big Tech. They create false stories and then push them like has never been done before, even beyond the 2016 Campaign. It imperils our Country, and must stop now. Victory 2020!

I told his wife Alexis, and his father Al, more than 800,000 police officers and their families stand with you. It could happen to them.

Pray for him and our Nation.

You came here from there because you didn't like there, and now you want to change here to be like there. We are not racist, phobic or anti whatever-you-are, we simply like here the way it is and most of us actually came here because it is not like there, wherever there was. You are welcome here, but please stop trying to make here like there. If you want here to be like there you should not have left there to come here, and you are invited to leave here and go back there at your earliest convenience.

Currently 35,000 non-citizens are serving as active-duty military.

Any one of these people by themselves have served longer in our military than the entire Trump family in America.

Not one Trump, except Mary Trump's father, has ever served in the United States military.

We now have video proof of the existence of a Democrat kill team. It took Trump to get the US Marshals involved to track and kill the shooter. But the rest of the team remains at large. How many other DNC kill teams are there? Is this how they killed Seth Rich?

Mike Coudrey @MichaelCoudrey
After analyzing this footage, it is clear the assassination of the Trump supporter was a coordinated and planned killing with multiple parties complicit in its planning and execution.

Democrats insist you kneel for the flag, the same banner under which the military fights & dies

President Trump DEMANDS that you stand to respect not only the flag but those who's sacrifice gave you freedom.

But it's Orange Man Bad who's disrespecting the Military

The Democrats will open up their states on November 4th, the day after the Election. These shutdowns are ridiculous, and only being done to hurt the economy prior to the most important election, perhaps, in our history! #MAGA

The corrupt Democrat Governor of Oregon has extended emergency Covid Orders through November 3rd on election day.

I'm guessing this only applies to law abiding citizens and not the tens of thousands who've been protesting and rioting in Oregon for 4 straight months?
